2. Contact your State Rep. and State Senator

To find out who represents you, go to [Legislature Look Up](#) and type in your address.

Ask your State Rep and State Senator to vote against any bill that compromises our 1980 ballot measure's provisions.

Include bill numbers: SB 215, SB 216, SB 635, SB 656, SB 994, SB 996, SB 997, HB 2038, HB 2410, HB 2426

3. Contact Rep. John Lively, Chair of House Energy (rep.johnlively@oregonlegislature.gov), and Sen. Janeen Sollman, Chair of Senate Energy (sen.janeensollman@oregonlegislature.gov) and ask them to do two things:

- a. Not to give any of the pro-nuclear bills a work session and
- b. To grant the anti-nuke side the opportunity of presenting invited testimony opposing nuclear power as they have twice done for the pro-nuke side.
