# The Five New Bills

## **SB 656:**

- Creates an **income tax credit** for energy production in Oregon, including nuclear energy.
- Establishes a **Task Force** on Free-Market Energy Production.

## **SB 994:**

**Allows SMNRs** to be built and operated in Oregon **without** first being subjected to a **statewide vote** of the people.

## **SB 995:**

Is **identical to SB 994**, but **refers** this Act to a **vote of the people** for their approval or rejection at the next regular general election.

# The Five New Bills

## **SB 996:**

**Allows SMNRs** to be built and operated in Oregon **without** first requiring that there be a **federally licensed nuclear waste repository** capable of permanently disposing of its high-level radioactive waste.

## **SB 997:**

Is **identical to SB 996**, but **refers** this Act to a **vote of the people** for their approval or rejection at the next regular general election.
